to my body-worn video (BWV), which was recorded at the time of the incident.

IDENTIFIED PERSONS:

The complainant of this call was identified via Washington DL as V/CALIX, Dianne A.

The subject of this call was not identified and is listed as SUBJECT.

The business where this incident took place was identified as the Xtadium nightclub in Seattle.

On 1-2-2019, I was working as a uniformed Police Officer, driving a marked patrol vehicle, in the City of Seattle. At 1311 hours, I was dispatched to respond to the following call type:

"INV POSS ASLT, OCC'D 12/27/18, RP THINKS SOMEONE DRUGGED HER DRINK WHILE AT LISTED LOC, UNK WHAT HAPPENED TO HER AFTERWARDS, POSS SUSP INFO, SUSP NOT ON SITE "

The call details were as follows:

"Suspect YESENIA HF, L20-30'S, MED BLD, LONG DK HAIR.....THIS FEMALE WAS WITH A GROUP OF MALES THAT RP THINKS MAY HAVE BEEN INVOLVED, SHE IS THE ONLY ONE WHO GOT CLOSE TO HER DRINK."

Through this investigation, the following was learned: CALIX and ADROVER went to the Xtadium nightclub on 12-27-2018 at about 2300 hours. They drank in the bar and CALIX reported having two cocktails. As they were dancing, they met the unidentified SUBJECT. She was with her boyfriend and they invited CALIX and ADROVER to join them at a "VIP" table.

At that table, there were at least five males and the unidentified female SUBJECT. The SUBJECT provided both women with "shots". CALIX had two, and had no memory of what took place thereafter. ADROVER had one and spit it out.

The women remained at the bar until bar closing. ADROVER was with CALIX the whole time in the club. CALIX reported that one of the bouncers told ADROVER to "take care of (CALIX)". CALIX reported that second hand from ADROVER, and had no recollection.

CALIX said the amount of alcohol she consumed over three hours was not

sufficient to make her "blackout" drunk. She believes SUBJECT put something in her drink (she referred to it as being "Roofied").

CALIX said the SUBJECT friended her on Instagram. She identified her profile as 'YESYSGLAMOUR'. CALIX showed me that profile and I took several photos. I later uploaded those to the SPD DEMS system.

CALIX said she did not believe she was sexually assaulted, as ADROVER was with her the whole night. She said that further evidence of her suspicion of drugging was that she was unusually hard to awaken the following day by either her boyfriend or ADROVER.

CALIX asked about chemical testing for drugging. I told her my experience with that sort of testing was that it would be highly unlikely for any surreptitious drugs to still be in her system, and that most were undetectable after 24-hours.

I provided CALIX with a case number and business card. I completed this report and forwarded it to JET, with notifications to Narcotics and SAU.
